CATACLYSM

THERE'S AN NUCLEARSTELLAR ARMAGEDDON COMING, YOU MAY BE THE ONE TO PROVOKE IT OR (BARELY) SURVIVE IT.

PLAYERS: **3-6**

PLAY TIME:  15

The idea is to always know what's coming next (As there are many See the future cards) you may look for the catomic bomb, imploding kitten or a exploding kitten, and make use of your Attack cards. The other players can only Skip, Super skip and Reverse, prolonging the time to the imminent explosion (As there are no shuffle cards). There are only two Nope cards in the deck, as a valuable asset for denying the Catomic bomb.
