EXPLODING MINIONS

A CARD GAME FOR PEOPLE WHO ARE INTO BANANAS, FLAMING UNICORNS, AND SOMETIMES FIRE HYDRANTS

PLAYERS: 2-5 | PLAY TIME: 15

The Minions have invaded the Exploding Kittens universe! Players draw cards until somebody draws an Exploding Kitten, at which point they explode and are out of the game. To avoid exploding, they can defuse the Kitten with things like flatulence, laser pointers or therapy, OR use powerful action cards to move or avoid the Exploding Kitten. Betray your friends. Try not to explode. The last player left alive wins.
