BOMBS ATTACKS AND A SABOTAGE

IN THIS MODE WILL PLAY NORMALLY BUT ONE PERSON WILL BE PLAYING A NEW ROLE IN THE GAME

PLAYERS: 3-5 | **PLAY TIME: 15**

The C.A.T role will allow a person to play Sabotages toward every player they can't die but can't win

All the useless cards become useful as they will be over ruled for the C.A.T

Taco cat: when played everyone must reveal their hands for the rest of the next turns (can be used 4 times)

Beard cat: select one person to swap hands with another person this can be played 2 times

Melon cat: when played the C.A.T can add a new card type to the deck this can be played 4 times

Potato cat: C.A.T will grab all the exploding kittens and replace them with one already revealed imploding kitten on top once a person dies or defuses it add the exploding kittens back to the deck and remove the imploding kitten

Rainbow cat: take one card from every players hand and add back to the deck and shuffle it (you have a limit of 3)

They can play anyone of the cards but have to wait until a full rotation to play again they can choose to skip if they don't want to play a card

EACH PLAYER STARTS WITH
